GREENSBORO, N. C., January 16.—
In Gullford Superior Court yesterday,
afternoon, before Judge B. F. Long, exClerk John J. Nelson, through his
counsel, Messrs, King and Kimball and
Thomas S. Beall, made answer to the
bill filed by the Beard of Education in
its suit to recover money alleged to
be due the school fund by Mr. Nelson.
In the demurrer the defendant contends that the Beard of Education had
no right to bring suit against him,
stating that it was the duty of the
County Treasurer to bring suit for the
recovery of money alleged to be due
the school fund, and not the Board of
Education. On this ground the defense
asked that the case be thrown out of
court. The court held that the action
probably should have been brought in
the name of both the treasurer and the
County Board of Education, but that
it was of the opinion that the action
could be brought in the mee of either
and overruled the demurrer, and defendant appealed to the Supreme Court.

million pounds.

The condition of the tobacco was very good, and the quality shows some little improvement over last week, very little real common tobacco show-

e tone of the market is not altogether as strong as it was before the holidays, but with a few exceptions prices are quite as high. Medium to good fillers may be a shade lower in

Full receipts are looked for next week. There has been some inquiry since the holidays for redried stock, but the volume of the business done has been

SALISBURY. N. C. January 16.—
Upon the advice of Judge Jones, presiding over Stanly Superior Court.
Henry Young, colored, who on December 17th criminally assaulted Mrs.
James Moss at Pennington, Stanly county, was on yesterday brought from Mecklenburg jail to the Rowan jail, at Salisbury. The trial of Young was changed by the court from Stanly to Rowan, where most of the witnesses live, it was also feared that an impartial trial might not be obtained in the former county, as Young made a confession of the crime. Mrs. Moss, the victim of the negro, is still in a delicate condition. Mr. Max Lefler, a neighbor, who fought the negro in defense of Mrs. Moss, is suffering greatly from bites inflicted by the pegro. He lost a finger in the fight.

We know what the trial package will do. In many cases it has cured piles without further treatment. If it proves its value to you, order more from your druggist, at 50c a box. This is fair, is it not? Simply fill out free coupon below and mail to-day.

PREE PACKAGE COUPON.

Fill out the blank lines below with your name and address, cut out coupon and mail to the PYRAMID DRUG COMPANY, 190 Pyramid Bidg., Marshall, Mich. A trial package of the great Pyramid Pile Cure will then be sent you at once by mail, FREE, in plain wrepper.

unique legal instrument of the kind ever filed in the courts of this State. The amounts sued for rarige from a few dollars to \$39,575 due on one total such scription in common stock of \$50,000. Many of the claims are contested, and some of the defendants claim that the Exposition Company owes them more than they owe it.

Doctors of All Schools PRESCRIBE THE WORLD'S GREAT MEDICINE.

Read what prominent doctors from all parts of the country say about Duffy's Pure Malt Whiskey. These letters were taken from hundreds received from leading doctors who prescribe, recommend and use the renewer of youth.

### EXTOL ITS VIRTUES.

One Raw Egg and a Teaspoonful.

"In speaking of Duffy's Malt Whitskey, I find some people do not distinguish between a medicine and an intoxicant. I was called to and an intoxicant. I was called to see an old real estate broker who was very much run down, no appetite, etc. I advised five days preliminary treatment to prepare nis stomach for food; I assured him that he would have a good appetite then, and to commence with a raw egg and a teaspoonful of Duffy's Malt Whiskey every four hours.

"I told him I did not recommend it as a beverage, I recommended it only as a medicine. He took it as such, and is rapidly improving. Many other cases could be mentioned, but time forbids. I am a very busy man, or would go into further details."—G. W. Reynolds, M. D., Chicago, Ill.

#### Catarrh Cured, Gained 40 Pounds.

"My wife has been a sufferer from catarrh for the past fifteen years. Being a physician myself, I tried many remedies recommended for many remedies recommended for the trouble. I exhausted my own knowledge of remedies, yet nothing proyed effective until five years ago this summer, when my wife was run down to almost a skeleton, weighing about 100 pounds. August of that year I got a bottle of your Malt Whiskey; in connection with it I gave 1.40 gr. nitrate strychniz, three times n day, discarded all other remedies, gave only the malt whiskey as recommended with the strychnia as above. In less than one year she weighed 140 pounds and was comparatively a well woman. I cannot think too highly of Duff's Pure Malt Whiskey, for I believe it saved my wife's life. Since giving it the trial with my wife I have had many other ladles use it in run down cases, usually getting excellent results."—Dr. J. W. Saunders, Unaddilla, Ga.

No Impurities, No Bad Results.

"A few weeks since I began the use of Duffy's Pure Mait Whiskey in cases where indicated in my-practice, and I take pleasure in speaking of the merits of the

remedy.

"I find frequent indications for its use, and consider myself extremely fortunate in the knowledge and possession of so potent a weapon in the combating with morbid conditions.

"I find no signs of impurity in Duffy's, and thus far note no untoward results." — B. Williamson, M. D., Friendship, N. Y.

#### Will Not Hesitate

to Prescribe. "Physicians generally know that there is nothing superior to whis-key for arresting the 'grip,' but key for arresting the 'grip,' but they hesitate to prescribe whiskey which is sold in many of the retail stores. If Duffy's Pure Malt Whiskey is brought to the notice of the medical profession they will not hesitate to prescribe it, as it is a pure whiskey with little or no trace of fusel oil. I have had graitfying resuits—three winters with Duffy's Malt Whiskey treating the grip, glving it liberally one or two evenings, and the grip was routed and without any disagreeable after effects which follow whiskey containing fusel oil."

—Alex. S. Truman, M. D., 1114 W. Sixty-nint St., Chicago, Ill.

#### Thoroughly Pure and Satisfactory Stimulant.

'I have given Duffy's Malt Whisfriends, and our unanimous opinion is that it gives every ovidence ion is that it gives every evidence of being a thoroughly pure and satisfactory stimulant. I expect hereafter to keep constantly on hand a bottle of your excellent whiskey. Permit me to declare my belief that where an sicoholic stimulant is indicated your whiskey is the best I have found."—W. R. C. Latson, M. D., New York City.

#### Freely Recommend It for Wasting Diseases.

have used Duffy's Pure Malt "I have used Duffy's Pure Mark Whiskey in my practice, and freely recommend it for medicinal pur-poses, especially in typhoid and other wasting diseases."—J. O. Guimond, M. D., Chicopee, Mass.

### Temperance Advocate

"I am taking this opportunity thanking you for calling my of thanking you for calling my attention to your product. I may state that I am using Duffy's Malt Whiskey in a case of Neuritis and complete prostration. Where a stimulant and appetite producer is a necessity, and after using the various indicated drugs I am exceedingly gratified by results obtained by using your whiskey. I am not, as a rule, an advocate of intoxicating liquors, but when results are obtained I am not going to look further, and shall use your product whenever the opportunity presents. If you can use my experience to put others of the profession on the right track you are at liberty to do so."—H. D. Obert, M. D., Jackson, Mich.

#### Son of Revolutionary War Veteran Says Best for Nervous Depression.

"For many years, like an old landmark, I have seen your familiar trade-mark in the papers. millar trade-mark in the papers. It attracted my attention finally, and I wish to say that I made a test of your product, and find it an extremely fine article. It is really pure, as you say, not over stimulant and very pleasant to take. It produces no unpleasant after effects. Because of its excellent qualities you ought to have a large sale of it. It is an invaluable remedy in these days when our mode of living is so constituted that the nervous system is continually under a strain, due to various causes, such as business depression and excitement. Duffy's Pure Mait Whiskey is just the right thing to help out under such conditions.

"It may be of interest to you to know that my experience as a practising physician covers a great many years, and I am the last living son of a soldier in service seven years in the Revolutionary War,"—Chas, L. Morehouse, M. D., New York City.

#### Will Always Prescribe.

"Your letter of the 27th duly received. I am pleased to report that your whiskey for medicinal uses is very satisfactory, and I will always prescribe and recommend it where a tonic stimulant and body builder is required."—Harriet D. Emens, M. D., Syracuse, N. Y.

#### Free from Impurities.

"I have carefully, conscientiously and with much dread endeavored to obtain for my patients a pure whiskey of the best quality, and I regard Duffy's Pure Malt Whiskey as the best, and as in duty bound prescribe no other.

"This age is certainly one of deception, as declared by a great bishop a few Sabbaths ago, thus it is a great relief to me to realize that I have at last found an article in your whiskey that is free from impurities.

"As a rule I never give testimonials, but have in this case done so with pleasure, owing to its Importance to the public sick."—Wm. M. Barnes, M. D., Baltimore, Md.

#### Results Most Satisfactory.

"As a medicine and for medicinal use I am free to indorse Dufty's Puro Mait Whiskey, having used same in my practice with most satisfactory results."—F. D. Fortaine, M. D., Worcester, Mass.

All You Claim-A Medicine of Worth.

"I have found Duffy's Pure Malt Whiskey to represent all you claim for it, and shall prescribe it where-ever a case needs such a stimulant. Yours is a medicine of worth."— Clarence E. Apple, M. D., Philadel-phia, Pa.

#### Have Always Prescribed It.

"I take great pleasure at/this time to most heartily recommend your Duffy's Pure Malt Whiskey. "Have always used same in my practice where a stimulant is re-quired with gratifying results."— Dr. E. W. Sweet, Worcester, Mass,

#### Aid to Diabetes Cure.

Aid to Diabetes Cure.

"Let me tell the experience I have had for forty years with pneumonia, When in the state that breathing becomes difficult and paintul, inedicine appears to have little effect. I begin the use of small doses of Duny's Malit Whiskey in a ginss with water and the medicine. One can see the whiskey in the use of small doses of Duny's Malit Whiskey in a ginss with water and the medicine. One can see the whiskey in the distribution of the whiskey in the medicine becomes dormant and a hindrance to nature.

"I had an interesting personal experience in becoming afflicted with diabetes; I was far gone and did not expect to survive. A druy named anhalonium was recommended. I began its use, and in thirty days saw some improvement. But there it stopped, so I began to use one cance wire a day of Duffy's Pure Malit Whiskey, and that gave it the required assistance. I am now cured. In ever cured, no even heard of a cure, of this ne meanest of discusses before. Thus you see all medicines of this nature need a sort of motor, and Duffy's Malit Whiskey supplies the want.

"The whiskies of raw grain, no matter how pure and old, contain something of a heating, irritating nature, and after having performed the use intended leave behind a debility that in a low case causes death. We must have a stimulant, but not at the expense of the vital forces." John Hertzler, M. D. Madison, Ala.

#### Unequalled by Any Drug for Exhaustion.

I have had occasion to use your product in my practice, and the results have been so favorable in the cases where I have used it since it was brought to my notice that I shall have no hesitancy in recommending it for medicinal purposes.

"The last purchase I am using in a case of extreme exhaustion following a long illness and a tedious convalescence, and I must say that the improvement since beginning its use has been so particularly gratifying that your product chanot be equalled by any drug that has been prescribed. I would most heartly recommend Duffy's Purchast Whiskey to any physician as an invaluable adjunct to his armamentarium."—Wm. F. Berkenstock, M. D., Philadelphia, Pa.

#### Ideal Medicinal Whiskey.

"The last purchase I made of Duny's Purc Malt Whiskey I divided among a few of my patients who are daily in need of a stimuwho are daily in need of a stimulant, besides using some of it for my own family daily, and believe as far as I am able to judge now that I have found the ideal medicinal whiskey. I inclose \$2, for which please send me two bottles for further trial.

"The fact that I will continue to prescribe Duffy's Pure Mait Whiskey is self evidence of my opinion of and contidence in the same."—Dr. E. H. Bell, Philadelphiu, Pa.

#### So Satisfactory Procured Six Bottles.

"Physicians, as you know, re-ceive so many samples of the va-rious medicinal preparations, etc. that it is impossible to recommend that it is impossible to recommend even a small proportion of them. I rarely indorse or approve any of the many received by me—however, needing a good stimulant for a patient, I wrote for a sample. So satisfactory was it for myself and patient that he has concluded to procure a half dozen bottles for use while at the seashore. I am especially pleased that he thought it so much superior to any that he hitherto had taken that he concluded to continue.

"I shall continue to use Duffy's

"I shall continue to use Duffy's Fure Malt Whiskey myself, being over fifty-five, and will recommend it for my patients."—C. H. Baker, M. D., Philadelphia, Pa.

Duffy's Pure Malt Whiskey is sold throughout the world by druggists, grocers and dealers, or shipped direct for \$1.00 a large bottle. Refuse substitutes. Insist on the genuine. It will cure you. If in need of advice, write Consulting Physician, Duffy Malt Whiskey Company, Rochester, New York, stating your case fully. Our doctors will send you advice free, together with a handsome illustrated medical booklet containing some of the many thousands of gratifying letters received from men and women in all walks of life, both old and young, who have been cured and benefited by the use of the world's greatest medicine.

# ANTI-TRUST BILL

Inserted in Proposed North Carolina Legislation.

[Special to The Times-Dispatch.] RALEIGH, N. C., January 16 .- The so-called "teeth" of the anti-trust bill, RALEIGH, N. C., January 16.—The so-called "teeth" of the anti-trust bill, which were extracted by the General Assembly of 1907, were introduced for insertion to-day in both branches—in the House by Representative Weaver, or Buncombe, and in the Senate by Senator-Lockhart, of Wadesboro.

The bill is the act of 1907 over again, with the famous subsection "A" back in it, making it unlawful for any persons or corporations to have any agreement, express or implied to lower or prevent the increase in the price of any article they may desire to purchase.

In North Carolina Confederate vetorans worth not more than \$500 are allowed to peddle medicines without license. Harshaw, Republican leader in the House, has a bill that would give this privilege to all those owning not more than \$1,000.

The assembly is after Coca Cola again. Representative Perry, of Bladen. offered a bill to tax manufacturers and bottlers of all drinks containing cafceino, except coffee, \$50 a year and all retailers \$5 a year for the benefit of the public schools.

Widows' Peasion Bill.

Mr. Perry has, too, a widows' pension bill, requiring only that pensioners shall have been married to the Confederate veteran one year prior to his death, and that she lived peaceably and quietly with him, the pension to continue only during the widowhood.

A joint resolution was introduced in both branches calling for an appropria-

tion of \$25,000 for the Alaska-Yukon Pacific Exposition to open at Seattle next June 1st.

Bills were introduced in the House COMES UP AGAIN

Bills were introduced in the House and Senate for the drainage of the wet, swamp and overlowed lands of the State, and calling for bonds to pay the expenses.

The Manning bill, to establish a North Carolina commission to co-operate in maintaining uniformity in legs is desirable. The bill passed all the Senate, it provides for the Governor to be transmitted to the Legislature. The congress of commissioners will be expected to recommissioners will be expected to recommission to co-operate in maintaining uniformity in legislation of property and other substantial in the United States, passed the Senate, it provides for the Governor to be transmitted to the Legislature. The congress of commissioners will be expected to recommissioners will be expected to recommission to co-operate will be expected to recommission to co-operate will be expected to recommend the Legislation on marriage and distribution of property and other substance.
